

# Bring your home to life

## The Matterport 3D Showcase

Blow prospective buyers away with 3D Showcase - an immersive online interactive 3D virtual tour experience that gives buyers a true sense of the **feeling** of your property before they ever see it in person.

We put Matterport's industry-leading technology to work for your listing. Weed out less interested buyers and attract more qualified open house attendees.

## Your property in immersive, interactive 3D

1. LV3D scans your property with the Matterport Pro Camera.
2. We customize your edits and hosts your interactive 3D virtual tour within 1-2 days.
3. Anyone can explore with ease, right from their browser or VR Goggles.

### Inside View

Navigate a property like a videogame with **Inside View**.

### Dollhouse View

Proprietary **Dollhouse View** shows how an entire property fits together.

### Floorplan View

Understand layout in a glance with top-down **Floorplan View**.

### Create a connection

Home buyers will create an immediate, lasting emotional connection to a property because they can experience it as if they were there.

### Engage more buyers

Matterport spaces are easy to share, so anyone with a computer, mobile device or VR goggles can have the open house experience from anywhere.

### Build buzz

Generate momentum like you wouldn't believe before the first open house with a space-age tool that will captivate buyers and motivate them to make an offer.
